SUBJECT: Revision of Monthly Subscription of PGF & SGA

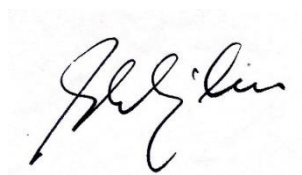

Dear Member,

This is to bring into your kind knowledge that the golf regulating bodies of Sindh and Pakistan (Sindh Golf Association & Pakistan Golf Federation respectively) have revised their monthly Capitation Fee and Tournament Levy with effect from April 1, 2018. The charges needs to be paid by each golf club which is member of the above prestigious bodies in the ratio of its registered members.

As a result of above changes, Airmen Golf Club & Recreational Park has been bound to increase the monthly bill of all its member by **Rs. 500 with effect from April 1, 2018.**

As the subscription bills of April 2018 were dispatched without incorporating the above change, arrears have been charged in the bills of May 2018. The increment (April + May = Rs. 1,000) is charged in a separate column titled "Capitation Fee" and same model will be followed in the months to come.

Looking forward to your cooperation in the matter.
